

ARCADIA PUBLIC SCHOOL P & C - MAGNETIC FOLDER FUNDRAISING NEVER LOSE SCHOOL NOTES AGAIN!

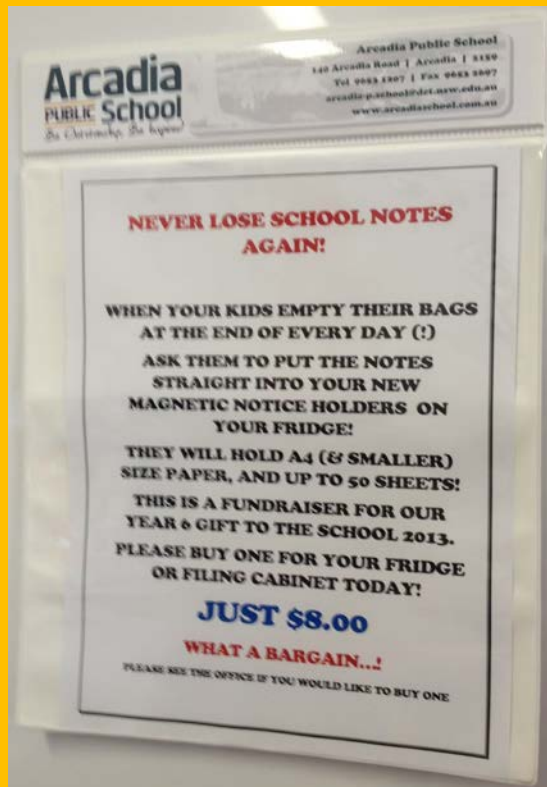

This is our Term 3 fundraiser for our Year 6 gift to the school. Hoping you will all get behind this one. Please see the piccie below. It 's called a magnetic holder. It has all the details of the school at the top (which is the magnet) and the notes from school – or any information you need to keep handy really – is popped into the plastic sleeve. Some of you may have seen it on the fridge in the canteen. They are fabulous! Why not buy one for a family member or friend, or even buy one for your kitchen and one for your workplace.

Where
